Best Student Award
The enrolment in our college extends beyond the horizons of our country. The charm of academic brilliance and fascination of campus comfort draws students from abroad, both in UG and PG courses. We have had students from Iran and middle-eastern countries who have joined prestigious international agencies after the successful completion of their programme. Our current foreign students range from SAARC nations like Nepal and Afghanistan, neighbouring country Tibet and extend upto as far as Germany. The college provides them hostel facility if needed, so that they can interact with the fellow residents and become well versed with the curricular requirements and also bond for necessary guidance. In case of linguistic problem, the teachers provide them all possible support for simple understanding and course enrichment through suitable study material. The college thus caters not only to the national socio-cultural diversity but is also a reflection of the global interest extended to our institution.
