### **Three-day Entrepreneurship Development Programme**

A three-day Entrepreneurship Development Programme was organised under the aegis of Department of Industries, Chandigarh Administration from **6<sup>th</sup> to 8<sup>th</sup> March, 2019**. More than 70 students and faculty members attended the programme. Prof. (Dr.) Anita Kaushal thanked the Department for the initiative and motivated the students seek proper guidance and take full advantage of the programme. She distributed certificates to the successful interns. During the three-day programme, several experts including S. Paramjit Singh, Director, Regional Centre for Entrepreneurial Development (RCED) elaborated the significance of economic self-dependence in the present era. The other experts explained the opportunities in food industry, social sector, IT Sector, and Energy. The experts explained the way the Govt of India is providing incentives to the Self Entrepreneurs in the form of bank loans and subsidy. Mr. Satwinder Singh consultant with RCED also addressed the students on the occasion.
