Questionnaire

A Questionnaire of brain twisting questions was organised by the Department of Mathematics on **26th March, 2019**. The questionnaire was organized to enhance their mental aptitude, create their interest in the subject and prepare them for the competitive exams. Around 400 students from all the classes participated in the event actively.

Quiz

A Quiz was organised by the Department of Mathematics on **28th March, 2019**. Six teams of three girls each participated in the quiz. There were different round of questions from different fields of mathematics including mental ability, quantitative aptitude, calculus, algebra etc. Students felt motivated to understand the concepts deeply and participated in the quiz with great zeal and enthusiasm. First prize was won by Team D of Shipra Rani B.Sc.(N.M) III, Shruti B.Sc.(N.M) II and Savreet Kaur B.Sc.(N.M) I.

Mathemania

On 29th March, 2019 Mathemania was organized by Sigma in which all the prize winners of questionnaire held on 26th March and quiz held on 28th March were given prizes by Madam Principal, Prof. Dr. Anita Kaushal, followed by skit performed by B.Sc. III girls and other fun games. All the students of first, second and third year of B.A. / B.Sc. (N.M. & C.S.) participated in the events with great zeal. They were of the opinion that such events make the subject interesting and motivate them to study the concepts thoroughly.
