Female Safety Riding campaign

Traffic Awareness and Road Safety Society, in collaboration with Chandigarh Traffic Police and Honda Pvt. Ltd organized a Female safety riding workshop on **19th September, 2017** at Children Traffic Park, Sector 23, Chandigarh. 42 student members of the society visited the park along with the teacher in-charges and learnt the nuances of riding two-wheelers. Guidance on daily inspection, acceleration, correct braking, importance of helmet, riding gear and riding posture, stand on/off practice were part of the training program.

Guidance on stand on/off & safety measures

Road Safety Awareness Programme

The Traffic Awareness and Road Safety Society organized a Road Safety Awareness Programme on **3rd February, 2018** for sensitizing the students to follow Traffic rules under the guidance of Principal Prof. Anita Kaushal.

The speakers Inspector Sita Devi, Head constable Mr. Rajinder, Marshal Mr. Diwan and Mr. Bhupinder Singh from Chandigarh Traffic Police highlighted the importance of road safety. Inspector Sita Devi shared efforts done by Chandigarh Traffic Police to control accidents and persuaded students to wear helmets. She informed about Helplines 100, 1091 and 1073 and informed them that if they are alone late night and no cab is available then also they can take help of the PCR in which there will be one lady police at least. She also stressed that we should make Chandigarh a honking free city. Head constable Mr. Rajinder also conducted a session on Road Safety. This was followed by a talk by Marshal Mr. Diwan and Mr. Bhupinder Singh engaged the students and expressed concern through songs to motivate the students to follow traffic rules. An interactive session was also held and five students were awarded trophies for answering questions asked by them.

Presentation on Road Safety by Chandigarh Traffic Police

Outcome

Road safety is an important aspect of our lives especially when one is driving a car or riding a two-wheeler. It is necessary to impart knowledge of riding to young students who get careless at times endangering others life also at risk. If everyone follows the traffic rules there is certainty that to a large extent that road accidents can be reduced. Hence, the students should be trained regularly to ride and drive safely.
