

Giving Back to the Alma-Mater

It is no exaggeration when it is said that most of us are nostalgic about the time spent in our alma-mater. They are known as "the best days of one's life". The Alumni of PGGCG-11 play a large role in determining the future and continuous development of their institution. The giving back to their Alma-mater is categorized as "Visionary Gift" intended to build the future stability of the institute.

NOSTALGIA

(Registered under Societies Registration Act)

THE ALUMNI ASSOCIATION
of

Post Graduate Govt. College for Girls, Sector-11, Chandigarh

It gives me immense pleasure to release the 2nd Newsletter of Nostalgia, the Alumni Association of PGGCG-11, Chandigarh.

Prof. (Dr.) Anita Kaushal, Principal Cum ex-Officio President

It is very important to us that the ties between the Alumni Association and the college continue to flourish. For this to happen, the members of the alumni association must be offered opportunities to stay abreast with all that is new and happening on the campus. In offering the newsletter to you, it is our endeavour to make all of our alumni more aware of the ways in which our alma-mater is progressing and expanding. It is through these annual alumni meets that one can re-live old moments and share with nostalgia the old times spent together. It is a matter of great pride that since the inception of our college in 1956, our alumni have excelled in almost all fields, be it education, civil services, politics, engineering, entrepreneurship, medicine and so on. And this tradition continues to live on even till date. I welcome all of you, those here and those far away, to come and partner with us in furthering the growth of PGGCG-11 and contribute significantly in taking it to newer heights.
