

**POST GRADUATE GOVERNMENT COLLEGE FOR GIRLS
SECTOR-11, CHANDIGARH**

E-GOVERNANCE REPORT 2017-18

Information and Communication Technology revolution has ushered dynamic transformations in the organizational atmosphere; impacting thereby the educational institutions also. Keeping in view the mandate of the government and analyzing the significance and utility of the digital medium, the institution framed an e-governance policy in November, 2017, and initiated measures to strengthen the infrastructure by reinforcing the necessary software and hardware in domains of general administration, finance & accounts, and teaching-learning. It is noteworthy that the College Library has LIBSYS since December, 2007. The institution has subscribed to INFLIBNET N-LIST since April, 2010 and its subscription is renewed annually. The fee payment system for students is already online since 2015. Further, a series of steps were proposed for the coming years to give a radical boost to performance and data security covering diverse components of the institution.

- All financial transactions were started under PFMS (Public Financial Management System) for transparency and data safety.
- The members of teaching faculty as well as non-teaching staff started filing their APARs online on eHRMS portal.
- The members of teaching faculty as well as non-teaching staff started filing their property returns online on eHRMS portal.
- RFID (Radio Frequency Identification) was installed in college library in February, 2018 for easy and quicker issuance/return of books.
- 17 desktops were purchased for RUSA Skill development Lab.
