RIGHT SIDE STORY (TRAINING PARTNER OF PROCTOR AND GAMBLE)
PERSONALITY DEVELOPMENT PROGRAMME
BE YOUR OWN BOSS (BYOB)

12th August 2024

Training and Placement Cell of Post Graduate Government College for Girls, Sector 11, Chandigarh in collaboration with Department of Commerce and Computer Applications organized Personality Development Programme on **August 12, 2024** in association with **Right Side Story (Training Partner of Proctor and Gamble)**. The topic of the Personality Development Programme was Be Your Own Boss (BYOB). The Programme started with Dr. Nisha Aggarwal (HOD, Department of Commerce) and Dr. Meenu Verma (HOD, Department of Computer Applications) welcoming the students and apprising them about the importance of Personality Development and Personal Effectiveness. Dr. Naveen Pandhi apprised students about the Right-Side Story. He highlighted that the company is passionate about partnering with educational institutions to create safe, nurturing and inclusive environments for young minds to flourish. Their expert-led programs equip educational institutions with the essential tools and knowledge to protect and empower their students fostering young leaders. Ms. Shruti Arora and Ms. Aparajita Basu Roy were the speakers from Right Side Story.

The primary objective of the programme was to shed light on feminine health and hygiene practices while concurrently emphasizing the significance of personality development among young girls. By addressing these crucial aspects, the programme aimed to empower female participants with knowledge and skills essential for their holistic well-being and personal growth. This programme aimed to demonstrate the importance of maintaining good personal hygiene and illustrate the importance of comprehensive cleaning to maintain a good health and a better personality in a certain society. Personal hygiene is important for many reasons, for instance, to have a better personality, a good health, for social reasons and for psychological issues.

The Speaker educated the students about the biological process of menstruation and how to manage it in a more hygienic way. During the programme, the students were told about the science behind menstruation and the myths surrounding it. The programme included interactive sessions where students actively engaged in discussions, shared their experiences and sought guidance from the speaker. The participatory approach facilitated a dynamic learning environment, allowing students to gain personalized advice and solutions to their queries. **Nearly 450 students registered through the goggle form and participated in the session.**

Prof (Dr) Anita Kaushal applauded the efforts put in by the placement cell and motivated them to organize such type of events to promote women's health, empowerment and societal progress. The

programme not only fostered awareness but also inspired confidence and self-improvement among the students, contributing to their overall holistic growth and well-being.

BULLS EYE KNOWLEDGE SYSTEM PRIVATE LIMITED, MOHALI
COUNSELLING SESSION
CAREER CHOICES AFTER GRADUATION & SCHOLARSHIP TEST (HBEST) FOR MBA-CAT

29th August 2024

Training and Placement Cell of Post Graduate Government College for Girls, Sector 11, Chandigarh in collaboration with Post Graduate Department of Commerce organized Counselling Session on **Career Choices after Graduation & Scholarship Test (HBEST) for MBA-CAT on August 29, 2024** in association with Bulls Eye Knowledge System Private Limited, Mohali. The Programme started with **Dr. Nisha Aggarwal (HOD, PG Department of Commerce)** welcoming the students and apprising them about the importance of Career Choices after Graduation. **Dr. Naveen Pandhi, Convener, Placement Cell** apprised students about the **Bulls Eye Knowledge System Private Limited**. Hitbullseye, a premier brand of Bullseye Knowledge System Private Limited, is a group that provides formal as well as parallel education. Hitbullseye guides students in preparing for entrance tests of CAT, Placement Training, GRE, GMAT, CUET, IPM, CLAT etc. It is the fastest-growing test-prep institute in India. With a team of hard-core academicians and experts, Hitbullseye has mentored more than 1 lakh students and continues guiding more aspirants. With an experience of more than two decades, Hitbullseye is known for its innovation in the education industry. **Ms. Aditi Ahuja, Senior Business Development Manager and Mr. Ankur Grover, AVP, Hitbullseye** were the speakers for the Counselling Session.

The objective of the Counselling Session was to provide valuable insights to the students regarding the diverse career options available after completing their graduation. The students were made aware about informed career choices that are crucial for the students' future success and students need to equip themselves with the knowledge and resources to make informed decisions about their career paths. Hitbullseye Scholarship Test for MBA-CAT preparation was also conducted as pursuing an MBA is a highly sought-after and promising career path. Given the competition and limited number of seats in top B-schools, students were made aware to start preparing for CAT during graduation. **Nearly 160 students participated in the informative Counselling Session. Prof (Dr) Anita Kaushal** motivated the students to attend such informative counselling sessions which will benefit them in their future prospects. She also appreciated the efforts put in by the Placement Cell Committee and PG Department of Commerce.

CAREER COUNSELLING & VEDIC MATHEMATICS
INFOMATHS PVT LTD
DEPARTMENT OF COMPUTER APPLICATIONS
IN COLLABORATION WITH TRAINING AND PLACEMENT CELL SEMINAR REPORT
18th September 2024

Post Graduate Department of Computer Applications in collaboration with Training and Placement Cell organized a Seminar on Career Counselling and Vedic Mathematics. The Seminar was organized by the members of Training and Placement Cell Ms. Harpreet Kaur and Mr. Mohit Sanan on September 18, 2024. Dr. Meenu Verma, HOD, PG Department of Computer Applications and Dr. Naveen Pandhi, Convener of the Training and Placement Cell welcomed Mr. Sudhir Grover, President and Ms. Arpana Grover, Vice President of Infomaths Pvt. Ltd., Sector 35, Chandigarh. Infomaths Pvt. Limited is today acknowledged as a multi-location, multi- programme training specialist run on corporate lines and offers a wide range of programmes not only for national and state-level entrance exams but also for Career Guidance and Counselling. The key drivers of this success are Infomaths commitment to students, its pan- India presence, its highly committed team of R & D professionals and its well-researched study material and unique pedagogy. **The main objective of the seminar was to make students understand different career opportunities, procedure to succeed, different competitive exams and also planning to make students understand the importance of having goal and passion and hard work to achieve the desired goal. Ms. Arpana Grover highlighted that career guidance plays a very important role in the lives of all students, as it helps in setting future goals and choosing careers.** Career guidance is much needed service to those who have not planned for their future at an early stage; more should be done to assist the younger generations in personal career development. Career Counselling helps students understand the career options that they have, and how to pursue them. It helps students understand their own strengths and weaknesses with regard to their present course or profession, and lets them know what career they would be suited for. Mr. Sudhir Grover highlighted Vedic Mathematics as it is a collection of methods or sutras to solve numerical computations quickly and faster. It consists of 16 sutras called formulae and 13 sub-sutras called sub formulae which can be applied to the solving of problems in arithmetic, algebra, geometry, calculus, conics, etc.

Prof (Dr) Anita Kaushal motivated the students to attend such informative seminars which will benefit them in their future prospects. She also appreciated the efforts put in by the Placement Cell Committee and PG Department of Computer Applications. The seminar ended with vote of thanks from Ms. Harpreet Kaur. **Nearly 160 students attended the informative session.**

POOL CAMPUS PLACEMENT DRIVE BY INFOSYS AT CHITKARA UNIVERSITY

20th-22nd January 2025

A Pool Campus Placement Drive by Infosys was organized for BCA and B.Sc. final year students on January 20 and January 22, 2025 at Chitkara University, Punjab National Highway, Punjab Campus. The primary objective of the placement drive was to provide students with a platform to demonstrate their skills and secure job offers from Infosys, thereby bridging the gap between academia and industry. Infosys Limited is an Indian multinational technology company that offers business consulting, information technology, and outsourcing services. **23 students of our college participated in the placement drive.** Ms. Harpreet Kaur and Dr. Ravneet Kaur, members of the placement cell of our college accompanied the students. The transportation of the students and faculty was arranged by Chitkara University only.

The Online Test was conducted at Chitkara University, Punjab Campus on January 20, 2025 (Monday) and Interviews of the shortlisted students (after the online test) was conducted at GRD College, Village Raipur, Ropar - Balachaur Road, Majra Jattan, Ropar on January 22, 2025 (Wednesday).

AWARENESS GENERATION PROGRAMME TO PROMOTE PMEGP SCHEME IN UT
OF CHANDIGARH
5th February 2025**

Post Graduate Department of Commerce & Training and Placement Cell in collaboration with **Regional Institute for Entrepreneurship Development** organized a **Seminar on Awareness Generation Programme to promote PMEGP Scheme in UT of Chandigarh on February 05, 2025**. The Seminar was organized by members of Training and Placement Cell Ms. Harpreet Kaur and Mr. Mohit Sanan. Dr. Nisha Aggarwal, HOD, PG Department of Commerce and Dr. Naveen Pandhi, Convener of the Training and Placement Cell **welcomed Mr. Joginder Singh Bhutani, Financial Literary Counsellor, SBI Regional Office, Chandigarh**. The Seminar aimed to educate aspiring entrepreneurs about the benefits and procedures of availing financial assistance under the PMEGP scheme. **The event commenced with an inaugural address by Prof (Dr) Anita Kaushal, Principal who highlighted the importance of PMEGP in fostering entrepreneurial development and reducing unemployment.**

Objectives of the Seminar

- ❖ To spread awareness about the PMEGP scheme.
- ❖ To educate participants on the eligibility criteria and application process.
- ❖ To provide insights into the support extended by Khadi and Village Industries Commission (KVIC) and other implementing agencies.
- ❖ To motivate youth and aspiring entrepreneurs toward self-reliance.

The students were briefed about the objectives, eligibility and financial support provided under the scheme. Detailed guidance was provided on preparing project proposals, applying for financial assistance and availing of government support. The interactive session allowed participants to clarify their doubts and seek personalized advice from experts.

Key Takeaways

- ❖ Comprehensive understanding of the PMEGP scheme.
- ❖ Practical knowledge of project proposal preparation.
- ❖ Networking opportunities with officials and experienced entrepreneurs.
- ❖ Clarification on the roles of KVIC, banks, and other stakeholders.
- ❖ Importance of innovation and technology in small-scale industries.

The seminar successfully achieved its objective of generating awareness about the PMEGP scheme. It empowered the participants with the necessary information and guidance to explore entrepreneurship opportunities and contribute to economic development in the Union Territory of Chandigarh. **More than 190 students participated the informative Seminar.**

CAREER COUNSELLING AND GUIDANCE

5th February 2025

Post Graduate Department of Computer Applications in collaboration with Placement Cell and InfoMaths CoursEdu, Sector 35, Chandigarh organized a **Seminar on Career Counselling and Guidance on February 05, 2025. The Seminar was organized by the faculty of Department of Computer Applications. Resource Person for the Seminar was Ms. Arpana Grover, Vice President of Infomaths CoursEdu. InfoMaths CoursEdu is today acknowledged as a multi-location, multi- programme training specialist run on corporate lines and offers a wide range of programmes not only for national and state-level entrance exams but also for Career Counselling and Guidance. Prof (Dr) Anita Kaushal, Principal was the Chief Guest for the Seminar. Prof (Dr) Anita Kaushal highlighted various career opportunities across different fields and emphasized the importance of skill development and personal growth in today's competitive job market.**

Objectives of the Seminar was

- ❖ Equip students with knowledge and strategies to navigate their career paths effectively and make informed decisions regarding their future education.
- ❖ To educate students on the importance of aligning their interests, skills, and values with their career choices.
- ❖ To offer practical advice on resume writing, interview preparation, and networking.
- ❖ To emphasize the role of counselling in addressing career-related anxieties and challenges.

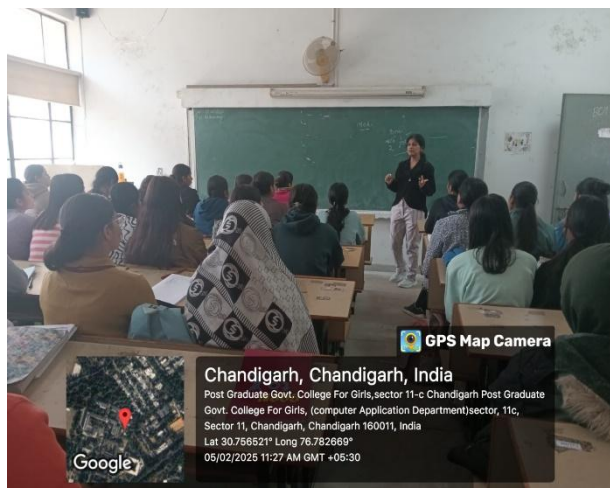

The Resource Person elaborated on diverse career opportunities in fields such as technology, healthcare, finance, and creative industries. Practical advice was given on acquiring technical and soft skills, which are crucial for career success. The seminar featured an engaging Q&A session where students raised questions about career planning, overcoming job market challenges, and leveraging internships for skill development. The speakers provided comprehensive answers, encouraging students to adopt a proactive approach toward their career goals.

Key Takeaways

- ❖ The need for continuous learning and upskilling in a rapidly evolving job market.
- ❖ The significance of aligning one's passion and strengths with career choices.
- ❖ The role of mentorship and counselling in achieving career clarity.

- ❖ Networking as a critical factor for professional growth.

Prof (Dr) Anita Kaushal motivated the students to attend such informative seminars which will benefit them in their future prospects. She also appreciated the efforts put in by the faculty of PG Department of Computer Applications. **Nearly 120 students attended the informative session.**

POST GRADUATE GOVERNMENT COLLEGE FOR GIRLS, SECTOR 11, CHANDIGARH

SEMINAR ON CAREER COUNSELLING FOR NCC & FINAL YEAR STUDENTS

14th February 2025

NCC Army Wing & 1 Chandigarh Girls Battalion of PG Government College for Girls, Sector 11 in collaboration with VJ Indian Defence Academy (C/o Chandigarh Vidya Jyoti Eduversity) organized a Seminar on Career Counselling for NCC & Final Year Students on February 14, 2025. VJ Indian Defence Academy prepares future Commissioned Defence Officers through preparation for written examinations of NDA | CDS | AFCAT | OTA | ACC | CPO/CPF and SSB Interviews to join the Indian Army, Air Force, Navy, Naval Academy and Police Forces. The Seminar was organized by Lt. Harpreet Kaur, Associate NCC Officer. **The Seminar was meant for NCC cadets and final year students to guide them in making informed career choices.** The event aimed to provide insights into various career opportunities, skill development, and effective job search strategies. **Prof (Dr) Anita Kaushal, Principal was the Chief Guest for the Seminar.** The event commenced with an inaugural address by Prof (Dr) Anita Kaushal who highlighted students to explore diverse career opportunities and prepare for their future. The event aimed to guide cadets in leveraging their NCC experience for better career prospects. **Mr. Rajiv Nayyar, Head, HR, VJ Indian Defence Academy and Mr. Sushil Mishra, Retd. from Defence Services were the Speakers.**

Objectives of the Seminar

- ❖ To enlighten students about different career paths available after graduation.
- ❖ To help students understand the importance of skill enhancement and employability.
- ❖ To provide guidance on preparing for competitive exams and interviews.
- ❖ To highlight the advantages of NCC certification in job applications.

Key Highlights

- ❖ **Career Opportunities in Defence:** Detailed discussion on joining the Army, Navy, and Air Force through NCC Special Entry schemes.
- ❖ **Government Jobs:** Guidance on leveraging NCC certification for jobs in Police, Civil Services, and Public Sector Undertakings.
- ❖ **Skill Development:** Importance of leadership, discipline, and communication skills gained through NCC training.
- ❖ **Interactive Session:** Engaging Q&A session where cadets clarified doubts about career paths and exam preparations.

- ❖ **NCC Advantage:** Explanation of how NCC certification benefits students in Defence and Government job applications.
- ❖ **Interactive Session:** Hands-on activities, group discussions, and role-plays to enhance communication and leadership skills.

Nearly 60 students attended the informative Seminar. The Seminar was a great success, empowering students with valuable insights and skills to navigate their career journeys with confidence. The seminar received an overwhelming response from the NCC cadets and final year students, who found the guidance extremely beneficial. It motivated them to pursue their career goals with a clear understanding of opportunities and required skills. The interactive nature of the seminar made it highly impactful and informative. The Seminar ended with a vote of thanks from Lt. Harpreet Kaur, Associate NCC Officer.

TIE (THE INDUS ENTREPRENEURS)
EVENT REPORT: FUTURE BUSINESS SHARKS 3.0 CONTEST
17th February 2025

Post Graduate Department of Commerce & Training and Placement Cell in collaboration with **TiE (The Indus Entrepreneurs)** organized a Contest on **Future Business Sharks on February 17, 2025**. Prof. Nisha Aggarwal, HOD, PG Department of Commerce and Dr. Naveen Pandhi, Convener of the Training and Placement Cell welcomed the guests. The Contest was organized by members of Training and Placement Cell Ms. Harpreet Kaur and Mr. Mohit Sanan. The Future Business Sharks 3.0 Contest aimed to foster entrepreneurial skills, encourage innovative thinking, and provide a platform for budding business minds to showcase their ideas. **Mr. Rajeev Markanday, Vice President, Hitbullseye was the Speaker for the event.** Prof. (Dr.) Anita Kaushal emphasized the importance of innovation, adaptability, and strategic thinking in the dynamic business world. Future Business Sharks 3.0 was organized to inspire and educate young entrepreneurs about emerging trends, innovative business models, and effective investment strategies.

Objectives: -

- ❖ To inspire students to pursue entrepreneurship and innovative business ideas.
- ❖ To provide insights into current market trends and future business opportunities.
- ❖ To connect students with industry experts and successful entrepreneurs.
- ❖ To foster an entrepreneurial mindset among college students.

Topics Covered: -

- ❖ Emerging Business Trends and Opportunities.
- ❖ The Importance of Innovation in Startups.
- ❖ Building a Sustainable Business Model.
- ❖ Overcoming Challenges as a Young Entrepreneur.
- ❖ Digital Transformation and Its Impact on Business.

Outcomes

- ❖ Students gained valuable insights into entrepreneurship and business trends.
- ❖ Encouraged students to think creatively and pursue innovative business ideas.
- ❖ Enhanced networking opportunities with industry experts and peers.
- ❖ Positive feedback from participants, highlighting the relevance and effectiveness of the seminar.

The Speaker also conducted a Quiz for the students. The winners were given respective prizes. The Contest received positive feedback for its engaging content, knowledgeable speaker, and interactive session. Participants expressed that they gained valuable insights into entrepreneurship, leadership, and business management. Many showed interest in pursuing startup ventures and sought mentorship opportunities. Future Business Sharks 3.0 Contest successfully achieved its objectives by motivating and educating future business leaders. It provided an excellent platform for networking, knowledge sharing, and fostering an entrepreneurial mindset. The Contest successfully inspired students to think outside the box and take a step closer to becoming future business leaders. **Nearly 160 students attended the Contest. The Contest ended with a vote of thanks from Dr. Naveen Pandhi.**

TRAINING AND PLACEMENT CELL
MEMORANDUM OF UNDERSTANDING WITH B.M.C (BADALA MATHS CLASSES)

20th March 2025

Training and Placement Cell of Post Graduate Government College for Girls, Sector 11, Chandigarh signed a **Memorandum of Understanding (MoU) with B.M.C (Badala Maths Classes), YMCA Building, Sector 11, Chandigarh on 20th March 2025 to enhance academic collaboration and provide quality mathematics education to students.** This partnership aims to offer specialized coaching, workshops and additional learning support to students who wish to strengthen their mathematical skills. Badala Maths Classes is a Premier Institute cum Mentoring Organization dedicated towards Career Building, Skilling, Mentoring Students towards Career Opportunities in various Government Sectors like CDS, AFCAT, SSC-CGL, CPO, Railway, Banking and other State Government Exams conducted by State Selection Commissions of different States. **The MoU was formally signed between Prof (Dr) Anita Kaushal, Principal, PG Government College for Girls, Sector 11, Chandigarh and Mr. Surender Kumar, Director, Badala Maths Classes highlighting the commitment of both institutions toward academic excellence.** The MoU is executed for promoting skills for competitive exams towards multiple Career options during and after graduation, student knowledge enhancement programmes in English Speaking and basics of English and related activities. In particular, this MoU is intended to:

- ❖ **Aptitude and English Skill Development**
- ❖ **Career Acceleration Program**
- ❖ **Regular Test Series**

Objectives of the MoU: -

- ❖ To provide high-quality coaching and training in mathematics to students.
- ❖ To organize workshops, seminars, and training sessions focused on mathematical concepts and applications.
- ❖ To enhance analytical and problem-solving skills through innovative teaching techniques.
- ❖ To foster a culture of mathematical excellence and critical thinking among students.

The MoU will also serve purpose of Atmanirbhar Bharat, Pradhan Mantri Rojgar Protsahan Yojana (PMRPY) and National Career Service (NCS) Project of Ministry of Labour and Employment and Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Prime Minister's Employment Generation Programme (PMEGP) through inspiring and motivating the young minds, students for Career and Competition Oriented Skills.

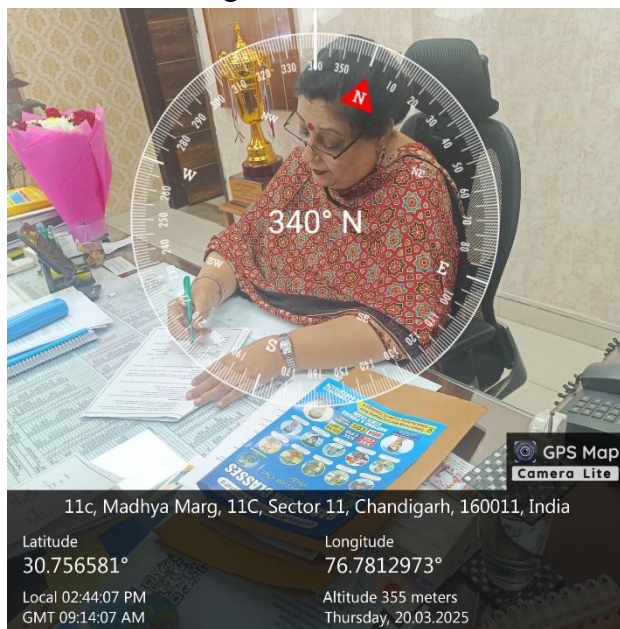

Expected Outcomes

- ❖ Improved academic performance in mathematics.
- ❖ Greater participation in competitive exams and mathematics-based careers.
- ❖ Increased confidence among students in tackling mathematical challenges.
- ❖ Enhanced career prospects for students pursuing careers in STEM (Science, Technology, Engineering, and Mathematics) fields.
- ❖ A long-term academic association fostering excellence in mathematics education.

The MoU between PGGCG-11 and Badala Maths Classes marks a significant step towards strengthening mathematics education and empowering students with advanced learning tools. This partnership is expected to yield positive academic results and open new avenues for student success. The agreement is

valid for three years from the date of signing. During the event, experts from Badala Maths Classes elaborated on the learning methodologies they employ, emphasizing practical problem-solving techniques and interactive sessions.

Prof (Dr) Anita Kushal, Principal appreciated Badala Maths Classes (BMC) commitment to academic excellence and their support in empowering our students with essential mathematical and logical skills. We look forward to a productive and long-lasting partnership that will help our students achieve greater success in their academic and professional pursuits. **Dr. Naveen Pandhi, Convener, Training and Placement Cell delivered vote of thanks.** The event ended on a positive note, with both parties reaffirming their commitment to nurturing mathematical excellence and empowering students for a brighter future.

JOB FAIR 2025

27th March 2025

Job Fair 2025 was organized by Training, Placement and Counselling Cell of Government College of Commerce and Business Administration, Sector 50, Chandigarh on March 27, 2025 in collaboration with ICA Edu Skills, Chandigarh. Students of Post Graduate Government College for Girls, Sector 11, Chandigarh participated in the Job Fair 2025. The primary objective of the Job Fair 2025 was to bridge the gap between graduating students and potential employers by providing a platform for direct interaction, recruitment and career guidance. **The event aimed to enhance employment opportunities for students from various academic backgrounds particularly those in Commerce, Business, IT and Management Streams.** Job Fair 2025 gave golden opportunity for all students to kickstart their careers by connecting with top recruiters from various industries.

Objectives of the Job Fair

- ❖ To facilitate on-campus placement opportunities for final-year students.
- ❖ To foster interaction between students and corporate representatives.
- ❖ To enhance students' awareness of job market trends and employer expectations.
- ❖ To provide an opportunity for companies to identify and recruit fresh talent.

Highlights of the Event

Number of Companies Participated: Over 20 reputed companies from Sectors like IT, Banking, Finance, Marketing, HR and Education.

Popular Recruiters Included: Wipro, Transcom, Paytm, Teleperformance, IIFL, Genpact, Justdial, HDFC Bank, Quess among others.

Types of Roles Offered: Customer Support Executive, HR Executive, Marketing Associate, Financial Analyst, Software Developer, Management Trainee among others.

Recruitment Process: Included on-the-spot interviews, aptitude tests, and group discussions, followed by HR interactions.

Pre-Placement Talks: Several companies conducted presentations introducing their firm's work culture, growth prospects, and hiring process.

The Job Fair 2025 at Govt. College of Commerce and Business Administration, Sector 50, Chandigarh proved to be a highly successful initiative, contributing to student employability and career awareness. The enthusiastic participation from Post Graduate Government College for Girls, Sector 11, Chandigarh added great value to the event. Such collaborative job fairs not only enhance placement opportunities but also strengthen inter-college relations and student development. Students found the event highly beneficial in terms of exposure and learning, especially those who were attending such events for the first time.

The Job Fair 2025 at GCCBA-50 was a grand success, providing a valuable platform for students to step into the professional world. It served its purpose of not only offering placement opportunities but also helping students gain confidence and insight into the hiring process. **43 students from PGGCG-11**

registered for the Job Fair 2025. The college looks forward to organizing more such initiatives to support student career development.

POST GRADUATE GOVERNMENT COLLEGE FOR GIRLS, SECTOR 11, CHANDIGARH
TRAINING AND PLACEMENT CELL
PLACEMENT DRIVE (TECH ARCH SOFTWARES PVT. LTD.)

4th April 2025

Training and Placement Cell of Post Graduate Government College for Girls, Sector 11, Chandigarh in collaboration with Tech Arch Softwares Pvt. Ltd. organized a Placement Drive on April 04, 2025 for the students of Computer Applications, Commerce and Science streams. **The Placement Drive was organized by the members of Placement Cell. The Placement Drive aimed to provide career opportunities to the final year students and help them take their first step into the professional world. Dr. Naveen Pandhi, Convener, Placement Cell welcomed Mr. Manav Virk, Operational Head and Mr. Nikhil, Vice President of Tech Arch Softwares Pvt. Ltd.**

The Placement Drive commenced with a Pre-Placement Talk by the HR team of Tech Arch Software Pvt. Ltd. where students were briefed about the company profile, job roles, growth opportunities and work culture. The interaction also included a Q&A session which helped clear student's doubts regarding the Recruitment Process.

The Selection Procedure comprised a Written Aptitude Test followed by a Technical Interview and an HR Round. The process witnessed enthusiastic participation from students across all three streams.

Recruitment Process

The recruitment process included the following stages:

- 1. Online Aptitude Test – A 45-minute test assessing logical reasoning, analytical skills, and basic programming knowledge.**
- 2. Technical Interview – Conducted individually to assess subject knowledge, problem-solving abilities, and familiarity with programming tools (for BCA/Science students) or business acumen (for Commerce students).**

After a rigorous evaluation process, several students were shortlisted for the Second Round (list enclosed) based on their performance. The Shortlisted Candidates proceeded to the next stage of the Recruitment Process.

The Second Round was conducted at Tech Arch Softwares, 3rd Floor, IT Park, Twin Tower, Plot No. 07, Sector 22, Panchkula on April 10, 2025 between 11.00 AM to 04.00 PM. The Second Round of interview for candidates applying to Tech Arch Softwares was conducted to evaluate technical proficiency, problem-solving abilities and alignment with organizational goals. This round served as a critical filter following the initial screening process. HR Interview was conducted focusing on personality assessment, communication skills and cultural fit within the company. **Following 5 students were selected after the Final Round:**

<u>Name</u>	<u>Class</u>	<u>Designation</u>
1. Manasvi Sharma	B.Com	Social Media Executive
2. Neha Rathour	BCA	Web Development Executive
3. Jaanvi Sharma	B.Com	Social Media Analyst
4. Muskan Thakur	BCA	SEO Executive
5. Shabhu Thakur	BCA	Social Media Strategist

11th April 2025

Regional Employment Exchange, Chandigarh Administration in collaboration with the Training and Placement Cell of Post Graduate Government College for Girls, Sector 11, Chandigarh successfully organized a Registration Camp for students seeking employment opportunities through government platforms on April 11, 2025. The event aimed to facilitate student registrations with the Employment Exchange and provide awareness about Career Options, Government Schemes and Skill Development Opportunities. **Dr. Naveen Pandhi, Convener, Placement Cell welcomed Ms. Jasbir Kaur and Mr. Nilambar Dutt from Regional Employment Exchange, Chandigarh Administration.** Dr. Naveen Pandhi mentioned today's opportunity is a step toward building your future. Registration with the Employment Exchange is not just a formality - it is your gateway to countless possibilities”.

Objectives

- ❖ To assist students in registering with the Regional Employment Exchange.
- ❖ To facilitate the smooth registration of students with the Regional Employment Exchange.
- ❖ To create awareness about the benefits of registering with the Employment Exchange.
- ❖ To guide students about various employment opportunities available through government initiatives.
- ❖ To bridge the gap between aspiring job seekers and available resources.

A large number of final year students from different streams participated enthusiastically in the camp. They actively engaged in the sessions, clarified doubts regarding the registration process, and showed keen interest in exploring employment avenues through government platforms. Officials from the Employment Exchange addressed the students and elaborated on the importance and process of registration. They discussed employment-related services, job fairs, and available skill training programs. Multiple help desks were set up to facilitate on-the-spot student registration. Students were guided step-by-step by the officials on how to fill out the application forms and submit required documents.

Outcomes

- ❖ **82 students successfully registered with the Employment Exchange, Chandigarh Administration.**
- ❖ Students gained valuable insights into the various services provided by the Chandigarh Administration.
- ❖ Strengthened collaboration between government bodies and educational institutions.
- ❖ Positive feedback was received from both students and officials regarding the conduct and utility of the camp.

The Registration Camp was a well-organized and impactful initiative. It not only empowered students by connecting them to employment resources but also motivated them to take proactive steps towards their careers. The Training and Placement Cell of the College expressed gratitude to the Regional Employment Exchange for their active cooperation and looks forward to future collaborations for Student Welfare and Career Advancement.

POST GRADUATE GOVERNMENT COLLEGE FOR GIRLS, SECTOR 11, CHANDIGARH
TRAINING AND PLACEMENT CELL
REPORT: ROZGAR MELA

17th April 2025

The Office of the Director Higher Education, Chandigarh Administration in collaboration with the Regional Employment Exchange, Chandigarh organized a Rozgar Mela on April 17, 2025 at PG Government College, Sector 11, Chandigarh.

Objectives

- ❖ To facilitate campus-to-corporate exposure for students of professional courses.
- ❖ To create direct employment avenues for eligible candidates.
- ❖ To bridge the gap between academic learning and industry requirements.
- ❖ To provide guidance and career counselling for students.
- ❖ To provide career opportunities to students and facilitate meaningful interaction between potential employers and job seekers.

Participation

The Rozgar Mela was organized for students of:

- ❖ Bachelor of Computer Applications (BCA)
- ❖ Post Graduate Diploma in Computer Applications (PGDCA)
- ❖ Master of Science in Information Technology (M.Sc. IT)
- ❖ Bachelor of Science in Computer Science (B.Sc. CS)

A large number of students from these courses enthusiastically participated in the fair with the aspiration of securing placements in renowned organizations.

Several reputed companies and organizations from the IT and allied sectors participated in the Rozgar Mela, offering positions in areas such as software development, data management, technical support, networking, and customer services. The employers conducted written tests, group discussions and personal interviews as part of their recruitment process.

The event witnessed overwhelming participation, with students confidently appearing before recruitment panels and showcasing their technical and interpersonal skills. The Rozgar Mela not only gave them a platform to seek suitable employment but also provided them valuable exposure to the expectations of the corporate sector. The representatives from the Chandigarh Administration and the Regional Employment Exchange appreciated the efforts of the college in facilitating smooth conduct of the fair. They encouraged students to continue enhancing their technical knowledge and soft skills to meet the ever-evolving demands of the industry.

The Rozgar Mela concluded successfully with many students being shortlisted for various positions, while several others received career guidance and counselling from the participating companies. The event proved to be highly beneficial in creating employment avenues and boosting the confidence of the young aspirants. **50 students of our college participated in the Rozgar Mela.**
