## Principal's Message

Dear Students,

As you stand at the threshold of your future, I invite you to join a community where tradition meets transformation, and where your potential is nurtured to its fullest extent.

Established in 1956, Post Graduate Government College for Girls, Sector 11, Chandigarh, stands apart as a premier institution of higher learning for girls. Affiliated with the Panjab University, and accredited with Grade A by NAAC, we have a brilliant teaching faculty who consistently uphold a legacy of academic excellence.

Education is not merely the filling of a vessel but the lighting of a fire; here, we provide the spark that ignites your intellect and ambition. As Swami Vivekananda aptly stated, we strive for that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet. Our institution is a testament to this philosophy, serving as a monument of women's empowerment where we relentlessly transform young women into visionary leaders and constructive change-makers.

Our sprawling 35-acre campus offers state-of-the-art infrastructure designed to foster both academic rigour and personal growth. With a broad spectrum of programs, we ensure you gain the professional competence required to excel in a competitive world. Beyond the classroom, our vibrant culture of sports, arts, and community service empowers you to emerge as a socially responsible and self-reliant individual. We maintain a drug-free, ragging free campus, and keep its life as that of an extended family; with all its warmth and self-discipline.

The success of our alumnae—the GCGians—who have reached the pinnacle of judiciary, civil services, corporate leadership, politics, entrepreneurship and all other fields, including international diaspora, proves that our mentorship translates dreams into reality.

I welcome you to become a part of our illustrious legacy, where we will provide you with a supportive and introspective environment to give you wings to fly and make your dreams come true.

## छात्राएं बनीं ग्रीन चेंजमेकर, कॉलेज से कर्मचारियों के घरों तक सज रही बगिया जूलाजी विभाग की वर्मीकम्पोस्टिंग पहल से कॉलेज कैंपस हुआ हरा-भरा माई सिटी रिपोर्ट

चंडीगढ़। सेक्टर-11 के पोस्ट ग्रेजुएट गवर्नमेंट कॉलेज फॉर गर्ल्स की छात्राएं पर्यावरण संरक्षण की दिशा में प्रेरक भूमिका निभा रही हैं। कॉलेज के जूलाजी विभाग की ओर से वर्ष 2023 से संचालित वर्मीकल्चर एवं वर्मीकम्पोस्टिंग प्रोजेक्ट के तहत छात्राएं जैविक कचरे से उच्च गुणवत्ता की जैविक खाद तैयार कर रही हैं। इस पहल से जहां कॉलेज परिसर की फुलवारी लहलहा रही है, वहीं अब शिक्षकों और कर्मचारियों के घरों की बगिया भी इसी खाद से सज रही है।

जूलाजी विभाग की प्रो. रवनीत कौर ने बताया कि वर्मीकम्पोस्टिंग का उद्देश्य केवल खाद बनाना नहीं, बल्कि छात्राओं में पर्यावरण के प्रति जिम्मेदारी और वैज्ञानिक सोच विकसित करना है। उन्होंने कहा कि लैब से निकलने वाला जैविक कचरा, पतियां, घास और सब्जियों के अवशेष पहले समस्या बनते थे। आज वही कचरा उपयोगी संसाधन बन चुका है। छात्राएं इसे सीखने के साथ-साथ खुद को भविष्य में रोजगार और उद्यमिता से भी जोड़ पा रही हैं।

सेक्टर-11 के पोस्ट ग्रेजुएट गवर्नमेंट कॉलेज फॉर गर्ल्स में जैविक खाद तैयार करती छात्राएं। जय जय

### 1300 किलो जैविक खाद से कमाए 19,500 रुपये

कॉलेज में चार विशेष गट्टों में वैज्ञानिक तरीके से वर्मीकम्पोस्ट तैयार किया जा रहा है। अब तक 300 छात्राएं इस तकनीक का प्रशिक्षण ले चुकी हैं। विभाग ने लगभग 1300 किलोग्राम जैविक खाद का उत्पादन किया है, जिसे बेचकर 19,500 रुपये की आय हुई। यह राशि कॉलेज के वर्मीकम्पोस्टिंग फंड में जमा की गई है। कॉलेज की प्राचार्या प्रो. (डॉ.) अनिता कौशल ने इस प्रयास को सराहना करते हुए कहा कि यह परियोजना ग्रीन और क्वीन कैंपस के लक्ष्य को साकार करने के साथ-साथ छात्राओं को आत्मनिर्भर बनाने की दिशा में भी अहम कदम है।

इस परियोजना का सामाजिक लाभ भी हो रहा है दूसरी ओर छात्राओं को पर्यावरणीय स्थिरता और उद्यमिता का बायोइंफोर्मेडल वेस्ट पुरी तरह प्रबोधित व्यवहारिक ज्ञान मिल रहा है।

## OUR FOREIGN ALUMNAE

Marjan Mateen

“PGGCG-11 shaped my life in so many positive ways. Felt home while away from home. Why? Because of some of the amazing and cool teachers and of course my classmates and batch mates who have remained friends and guide thus far. One critical take-away from academic life in college: the system should not require students to write very long answers to a single question. Our fingers hurt so much. Please make the best of your time in the college in making amazing friends with your classmates and teachers. Make friends, build your network, and do not cram! Learn it by heart and you are good to go.”

Freshta Karim - Director of Charmaghz, a Kabul based NGO dedicated to promoting critical thinking among children through providing resources and space on buses turned into mobile libraries. She has previously worked with the UN agencies, international organisations and the Afghanistan Government, most recently as an Education Specialist with Creative International.

- Max Hermann Prize (2019): German State Library Prize for the contributions in the Education and Life of Afghan Children.
- Forbes 30 Under 30 (2019): Listed as Forbes 30 Under 30 Social Entrepreneurs for the contributions in Education Sector in Afghanistan.

# NATIONAL EDUCATION POLICY (NEP)-2020

National Education Policy 2020 envisions a complete overhaul and re-energising of the Higher Education system to overcome these challenges and thereby deliver high-quality higher education, with equity and inclusion.

- The policy lays particular emphasis on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving – but also social, ethical, and emotional capacities and dispositions.
- Higher education plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. Higher education significantly contributes towards sustainable livelihoods and economic development of the nation. As India moves towards becoming a knowledge economy and society, more and more young Indians are likely to aspire for higher education.
- To contribute to the realization of these aspirations, PGGCG-11 is committed to the philosophy of NEP 2020 and aims at fulfilling the mandate by imparting quality higher education to enable personal accomplishment and enlightenment, constructive public engagement, and productive contribution to the society. The institution will prepare students for more meaningful and satisfying lives and work roles and enable economic independence.
- The college has well-equipped infrastructure, qualified faculty, state of the art scientific set-up, and sumptuous academic repository complemented by sports facilities, green environs and numerous opportunities for beyond the classroom and holistic development of the students. The implementation of NEP 2020 will polish the learners as assets for the nation.
