TRAFFIC AWARENESS AND ROAD SAFETY SOCIETY

Traffic Awareness and Road Safety Society of Post-graduate Government College for Girls, Sector-11, Chandigarh under the aegis of IQAC held its Orientation Programme on 28th August 2024 for First year students of various streams participated in the orientation function. The function started with the address by the Programme Convener Dr. Cheena Gambhir in which she showed raised issues related to following traffic rules and traffic signs, not using mobile during driving and walking on the roads as the number of pedestrians was on the increase leading to many deaths nationwide. The participants were also given a brief insight into the various activities undertaken by the society during 2023 -2024, and the activities proposed to be held during the session 2024-2025. About 200 students were apprised about the number of hours each student has to put on for in-campus and off-campus activities which would be a part of community outreach programme.

Traffic Awareness and Road Safety Society

The Traffic Awareness and Road Safety Society of Post-graduate Government College for Girls, Sector-11, Chandigarh under the aegis of IQAC organized a Street Play entitled “Join Hands for Safety on Road” on 29-8-2024 in which 16 students of UG classes had participated. The street play was organized in collaboration with the Department of Public Administration. The programme began with the welcome of Principal Prof. Anita Kaushal, Dean Mr. Kunwar Iqbal, Vice Principal Dr. Shashi Wahi and staff members. A street play was shown to sensitize the students on the significance of safe and cautious driving. Through the performance, the students were made aware of the hazards of drunken driving, helmetless and unsafe driving, red-light jumping etc. It was highlighted that life is very important and most of the times ego, vanity, show-off and over-confidence becomes the cause of accident. It was also stressed that the rate of road-accidents is increasing in India due to the negligent behaviour of drivers both of two and four wheelers. It is noteworthy that if one avoids high-speed driving and carelessness on roads, and follows traffic rules most of the lives could be saved. The students were highly motivated by the street play and appreciated it in more than one way.

TRAFFIC AWARENESS AND ROAD SAFETY SOCIETY

Traffic Awareness and Road Safety Society of Post-graduate Government College for Girls, Sector-11, Chandigarh under the aegis of IQAC organized a Rally for safety on road on 30th January 2025. The Rally started with the address by the Programme coordinator Dr. Cheena Gambhir in which she highlighted various traffic and road safety related issues and also motivated the students to come forward and generate awareness amongst the fellow students and the masses to make city safe and accident free. Road Safety Rally was organised in the campus in which more than 50 students participated to bring awareness about traffic rules. Posters were made by the students and literature was distributed to the participants which related to wearing of helmets, following traffic rules, knowledge of road signs and dos and dont's relating to road safety.
