PRESS NOTE

Under the able guidance and leadership of Prof.(Dr.) Rama Arora, Principal of PGGCG-11, a Blood Donation Camp was successfully organized on 14.10.2025 by the Blood Donation Society in collaboration with NSS Cell, in association with the Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh sponsored by Shri Shiv Kaavar Maha Sang Charitable Trust.

Dr. Meenu Verma, Convenor of Blood Donation Society coordinated the camp along with the support of Dr. Ragini and Ms. Kunjan. The event witnessed active participation from students, faculty, and staff, all contributing enthusiastically to the life-saving cause. The medical team from PGIMER ensured the safe collection and handling of blood donations, following all necessary health protocols. Prior to donating, all donors underwent a mandatory health screening, and refreshments along with appreciation certificates were provided post-donation. A total of 211 registrations were done for this noble cause, in which 66 units of blood were collected during the camp. Many students came forward as first-time donors, showing great enthusiasm and a strong sense of social responsibility.

Dr. Meenu expressed her gratitude towards the donors and volunteers, stating, "Blood donation is a noble act that can save countless lives. We are proud of our students and staff who stepped forward selflessly to support this initiative."

Prof. (Dr.) Rama Arora, Principal of the College appreciated the efforts of the organizing team and encouraged students to continue participating in such humanitarian efforts. The event concluded on a high note, reinforcing the values of compassion, community service, and civic responsibility.

PRESS NOTE

BLOOD DONATION CAMP

Dated: 02.04.2026

Post Graduate Government College for Girls, Sector 11, Chandigarh, organized a Blood Donation Camp under the able leadership and guidance of Prof. (Dr.) Anita Kaushal, Principal. The camp was graced by the esteemed presence of Prof. (Dr.) Vipin Kaushal, Medical Superintendent; Head, Department of Hospital Administration; and Nodal Officer, ROTTO, PGIMER, who served as the Chief Guest for the event.

He commended the efforts of the Blood Donation Society and Sukh Foundation, for organising this camp so efficiently. Such initiatives not only address medical needs but also instill values of empathy and service among students. He encouraged everyone to make voluntary blood donation a regular practice and to motivate others to join this life-saving movement. He said, "Together, we can ensure that no patient suffers due to a shortage of blood."

The camp was organized by the Blood Donation Society of Post Graduate Government College for Girls, Sector 11, Chandigarh in association with NSS and Nostalgia – the Alumni Association of the College. The event was with generously supported by the Sukh Foundation.

A total of 91 registrations were received for the noble cause. As many as 47 enthusiastic students, faculty, and non teaching staff members donated blood, reflecting a strong commitment to social welfare. Some volunteers were unable to donate due to medical reasons, yet their willingness to participate was deeply appreciated.

The event was coordinated by Dr. Meenu Verma, Convenor, Blood Donation Society, with dedicated support from Dr. Ragini and Ms. Kunjan. A skilled medical team from PGIMER, Chandigarh, ensured safe, hygienic, and protocol-based collection of blood units. All donors underwent mandatory health screening, and refreshments sponsored by Sukh Foundation along with appreciation certificates were provided post-donation.

Speaking on the occasion, Dr. Meenu Verma expressed her heartfelt gratitude to all donors and volunteers, stating that blood donation is a noble act that can save precious lives and that the enthusiasm shown by first-time and regular donors alike was inspiring.

Prof. (Dr.) Anita Kaushal, Principal of the College, commended the efforts of the organizing teams and encouraged students to continue contributing to humanitarian causes. She praised the collaborative spirit of the students, faculty, alumni, and medical professionals that ensured the success of the camp.
