The Ministry of Education (MoE and MHRD) in the year 2018, through MoE's Innovation Cell (MIC) had launched the Institute's Innovation Council (IIC) program in collaboration with AICTE for Higher Education Institutions (HEIs). The Journey of IIC at aur college started in 2018. The primary goal of the council is to inspire, encourage and nurture the young students for different activities involved in pre-incubation, incubation and making successful start-ups and innovations. The main goal is to conduct various innovation and entrepreneurship-related activities prescribed by MIC, IIC, Celebrations Activity, Self-Driven in a time bounded fashion and engage faculty members, students in various innovation and entrepreneurship related activities such as ideation, problem solving, design & critical thinking, intellectual property rights, impact lecture session etc. The external members including the industry representative and the entrepreneur also add value to the initiatives. Through the council meetings, all had given insights on effective implementation of IIC activities and attainment of vision and mission of our IIC.

We have a diversified and interdisciplinary representation in our IIC, including industry, specialized departments and professional units etc.
